

Naperville Christian Academy Summer Latin

The purpose of this letter is to inform you that we will be offering a Summer Latin course. Our desire is for this class to be a highly interactive, fun, and practical course focusing on speaking and understanding classical Latin. We believe that languages are best learned through speaking and living the language and are preparing interactive lessons and activities in order to teach the language. Grammar and written Latin will be taught, but will be coupled with oral and active^{FN} Latin lessons.

We would first like to gather information in order to tailor the class section(s) to those interested.

1. Why are you interested in this class? What is your purpose for taking Summer Latin?

2. What do you hope to achieve through this course? _____

(continued on back)

^{FN} We will use Total Physical Response (TPR) methods extensively in the course. To learn more about TPR, see <http://www.languageimpact.com/articles/other/krashentpr.htm>.

3. How much time are you willing to commit to this course? (Please give hours per session, number of sessions per week, and total number of weeks)

If you have any questions or would like to provide additional information, please use this space or email us at jonfmccord@gmail.com. Thank you.

Also, we plan to make a portion of a sample lesson available on video soon at www.latinlessons.weebly.com in case you're not sure exactly what it will be like learning such a "dead and boring" language. ☺
